Importance: High

Hello Margaret – Upon receipt of the COC, we noticed that the incorrect case number was used for the samples for organic analysis. Please notify DATAC that they should log these samples under case number 45316 and note the issue in the SDG narrative. Also the analysis is for SVOA/SVOASIM.

If you or the lab need additional information, please contact me at your earliest convenience.

Thank you.

Hello,

Attached is the XML file and pdf of COCs for samples en route to ALS Salt Lake City that were collected at Wilcox Oil on 18 May 2015.

Thanks,

Corey
